

We understand that life can be unpredictable, but as a courtesy to our chiropractors and other patients, we kindly request adherence to the following cancellation policy:

Patients must provide at least 24 hours' notice for any appointment cancellations or rescheduling requests. Cancellations made with less than 24 hours' notice or missed appointments **will be charged the full cost of the missed appointment.**

Patients who arrive late to their appointments may have their session shortened to accommodate the schedule of other patients. The full appointment fee will still apply.

### **Emergencies**

We understand that emergencies happen. If you have a genuine emergency that prevents you from attending your appointment, please notify us as soon as possible.

### **Rescheduling**

We will do our best to accommodate rescheduling requests, but availability may be limited.

### **How to Cancel**

To cancel or reschedule an appointment, please contact our office by phone at least 24 hours in advance or login to your patient portal to cancel and reschedule.

### **No-Shows**

Patients who repeatedly miss appointments without prior notice may be subject to being discharged from our practice.

### **Note:**

Our cancellation policy is in place to ensure that all patients receive timely care and to respect the time of our chiropractors and staff. We appreciate your understanding and cooperation. If you have any questions or concerns regarding our cancellation policy, please feel free to contact our office.
